

Amber Lounge & Monaco F1 Weekend 6 days/ 5 nights Dates: 20 - 25 May 2020 TOUR SHEET

Join us as we travel to Monaco for one of the most exciting events of the year - the Amber Lounge Fashion Show & Monaco Formula 1 Grand Prix. Global Hair & Makeup is the official **Beauty Partner** & backstage team for the hottest show in town - the prestigious **Amber Lounge**.

Global Hair & Makeup is the **official Beauty Partner** for the Amber Lounge Charity Show, the most anticipated social event on the Formula1 calendar.

Established in 2006 under the High Patronage of H.S.H. Prince Albert II of Monaco, the iconic Amber Lounge Fashion Show is the **only event in the world** to feature Formula 1 drivers on the catwalk. Formula 1 drivers, models, ladies of F1, entertainers and celebrities all come together to walk the runway in aid of charity. This event is covered by the world's media & Global Hair & Makeup will be there. The Global Hair & Makeup team will stay on the French Riviera and travel to Monaco to create amazing looks backstage at the Amber Lounge Charity Fashion Show runway show that is staged on Friday night.

This show combines fashion, glamour & Formula 1

This tour is about providing makeup artists with an experience that they may not normally have access too. You will be led by Global Hair & Makeup's Creative Director, Liz Bomben and be part of an elite backstage team working a glamorous runway show. The team may also have the opportunity to head back to Monaco on Saturday or Sunday to do makeup trackside at some of the VIP Lounges.

The tour is 6 days/5 nights which will allow enough time to enjoy the famous French Riviera. There will be free days to explore local markets and villages. Team members may also like to extend their trip and take in the culture of Italy, more of France or travel throughout Europe. As the team often comes from around the world, the team will meet near Nice and stay together for the duration of the tour. This is a highly valuable part of the tour because not only do you develop friendships with other team members but the chance to swap ideas and discuss techniques is highly valued. Those traveling from Australia may like to travel together.
